MEMORANDUM FOR: Chief, [REDACTED]

SUBJECT : Release of ORR Research Aid to [REDACTED]

25X1X7

REFERENCE : [REDACTED] 25X1X7

25X1X7

1. The Office of Research and Reports has no objection to the release of CIA/RR A, ERA 62-1, Soviet Railroad Cars: A Reference Handbook for Collection and Research, March 1962, Confidential, to [REDACTED] providing attribution to CIA is eliminated by removal of the outside cover and foreword sheet.

2. In specific instances ORR produces a report with a paragraph in the Foreword indicating that dissemination to foreign liaison services may be made providing it is determined that this distribution will be of net advantage to the US. In addition ORR indicates what should be removed from the report prior to such dissemination. CIA/RR A, ERA 62-1 is one of these reports. A formal request need not be made to ORR to release these reports to foreign liaison services.
